

## Sponsorship and Exhibition Prospectus

*The IEEE-BioRob 2020 focus on medical robotics, neuroscience of neural repair, and physical medicine (including workshops and CMEs) provides exciting opportunities for sponsorship. Consider exhibiting your product and promoting your company or organization:*

### Promote your company or organization:

- **Bronze Sponsor(s)** may use the IEEE-BioRob2020 logo for advertisement, they will be acknowledged in the program, and they will receive 3 complimentary registrations (cost \$5,000).
- **Silver Sponsor(s)** may use the IEEE-BioRob2020 logo for advertisement, they will be acknowledged in the program, and they will receive 6 complimentary registrations (cost \$10,000).
- **Gold Sponsor(s)** may use the IEEE-BioRob2020 logo for advertisement and have access to list of delegates (name and organization plus contact information if the delegates agreed to give out their contact information); they will be acknowledged in the program and in 2 workshops, and will receive 9 complimentary registrations (cost \$20,000).
- **Platinum Sponsor(s)** may use the IEEE-BioRob2020 logo for advertisement and have access to list of delegates (name and organization plus contact information if the delegates agreed to give out their contact information), they will be acknowledged in the program and in 3 workshops, and will receive 12 complimentary registrations (cost \$30,000).
- **Keynote Speaker Sponsor(s)** will be recognized during the keynote address and in program (cost \$5,000).

### Exhibitor Opportunity:

*Booth of 10' x 10' with backdrop pipes and drapes, panel with standard company/organization name, 100-word profile in the program, basic lighting and a single 115V electrical outlet, and 2 exhibitor badges (cost \$5,000).*

*Note: additional space, exhibitor badges, and electrical power are available and would incur additional cost.*

## Sponsorship Opportunity:

**Company sponsored lunch or dinner (and lecture or training):** The Lerner Hall offers multiple meeting rooms for companies to promote themselves over 60-minute lunch or evening break. These rooms are equipped with AV equipment and the event will be advertised in the final program (cost \$10,000).

Note: Companies will make their own arrangements for speaker(s) and meal vendors.

**Other opportunities to promote your company or organization:** logo on bags, pens, goodies, memory stick, advertisement in the program, and hospitality suites.
